

Conference app

2020 MCEC Conference has gone mobile! We have created a conference app that will allow you to use your smartphone or tablet onsite to easily:

- Access session details and create a personal schedule
- Rate and take notes on sessions
- View speaker bios
- See other attendees at the event who are using the app (and connect with them via email)
- Access sponsor and exhibitor details
- Receive news alerts
- View map of the exhibit hall layout
- Visit our Facebook page directly.

Download the app now and plan your own personal schedule and set alerts prior to coming to the event.

Download the 'EduPlus' App from <u>App Store</u> or <u>Android Market</u>, or simply scan the QR code to the right.

LOGGING IN IS EASY

- Once you have loaded the app, you will be prompted to 'Sign in' or 'Sign up'. As a new user please select the 'Sign up' option.
- You can join the conference community either by entering your demographic details, or logging in using your LinkedIn profile.
- By logging in using your LinkedIn profile it means that other attendees who are using the app can connect with you via your LinkedIn profile, and your LinkedIn profile summary will be viewable by other attendees.

Available on the

pp Store

ANDROID APP ON

Google pla

ONCE YOU ARE LOGGED IN

- You will see a list of conferences on the home page of the EduPlus app.
- 2020 MCEC Conference should be near the top of the upcoming list. You can then enter to view the details and join.
- Whenever updates become available, you will be prompted automatically to update when you access the conference again.

YOUR PROFILE

You can enhance your profile on the app by going to the EduPlus app main menu and tapping on the top left corner for a menu to appear on the left side of the screen. Your picture with name, title and company can be seen on the top of the menu. Tap on **'Your profile picture'** to edit your email address and demographic details. Make sure you select **'Done'** once you have made changes.

> Confplus, Inc. 6709 Raymond Road, Suite 213, Madison, WI 53719 Telephone: +1 608-561-1608 Website: http://www.confplusapp.com

VIEW THE PROGRAM

- Click on the 'Schedule' module.
- Scroll up and down the screen to view session titles for each day.
- At the top of the screen you'll see a calendar. Select the day of the program you want to view from the calendar.
- For more information on each session, click on the session you are interested in for a session summary and list of speakers.
- In each session you can take notes, rate the session, and add it to your personal schedule.

30 minutes before

1 hour before

may be undocumented, access to opportunity is critical to their success. Once identification, eligibility and placement is determined it is the school's responsibility to

SAVE THE DATE

CREATE A SCHEDULE

- Select a session you want to add to your profile.
- Click on the BLUE 'Add to schedule' button
- You can also set a phone reminder for the session here.

TAKING NOTES

You can use the app to take notes by going into the session you are attending in the 'Schedule' or 'My Schedule' module, selecting the session, then click on the pencil icon on the top right of the screen. Keep a record of interesting points or areas you would like to follow up on then email your notes to yourself by selecting the 'Send to' button.

RATE THIS SESSION

You will be able to rate the session out of five stars with comments. Simply select the session you want to rate from the 'Schedule' or 'My Schedule' modules, and click on button 'Rate This Session' then select how many stars you give the session and click 'Submit'.

Social Media VIA THE APP

Select the 'Social' module on the homepage of the conference app and you can visit the event's Facebook page directly.

In-App Messaging

You can send and receive messages with contacts using the EduPlus app. To access your messages, access the slider menu from the app main page, and select **'My Messages'**.

News Feed

Access conference news feed from the slider menu by selecting 'My **Messages'>'News'**. In the **News** screen, unread feeds will have red circles in front of them.
